

## News:

The school year has ended which is always a time of both joy and sorrow. It is a happy time to see the many kids that we have developed relationships with moving on into new areas of life, but at the same time, we end up saying good bye, sometimes for many years. Despite the sadness which is inevitable, we choose to embrace love rather than to shut ourselves off. This is our mission.

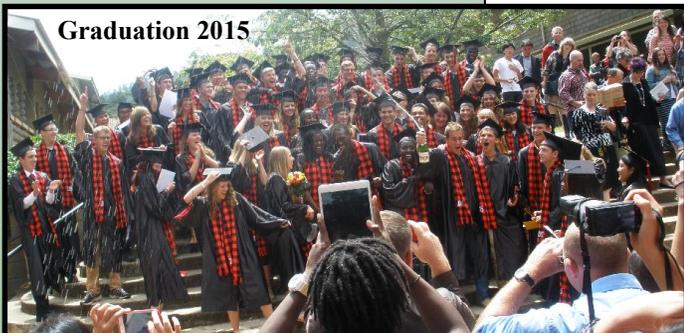

## Is it Worth It:

A few days ago there was a knock at our door. As we answered the door, we welcomed a man holding a pineapple. A parent of one of our Korean students, he wanted to visit with us as Meredith has been teaching his son in Life Science this year. David K. is a bright boy, but has the disadvantage of English being his second language, and he struggled early on due to having a poor grasp of the language. David's dad began to thank Meredith profusely for sticking with it and helping David to do well. The pineapple which had traveled all the way from Uganda was his gift of appreciation.

We are constantly in awe of the people God brings into our lives and for a brief time we are able to serve them. David's family is currently working hard to establish a school in Uganda. Somehow we have been able to be a part of this ministry.

## Graduation 2015

## Future:

In the coming school year David will be involved in a huge security upgrade on campus and will continue his work as IT Manager. Meredith will continue as the science department head and will teach 7th and 8th grade science. Abby is now a senior, Karissa enters 9th grade, and Elizabeth is entering her sophomore year in college.

Meredith and a very dear mentee saying goodbye at graduation.

## Prayer Needs:

1. We have an empty house in Florence, MS which is draining us financially. Please pray that we will be able to either sell it or rent it very soon.
2. Pray for us as we rest during the August break. Pray that we will be refreshed and ready for the next school year.
3. Pray for our faithfulness to the Lord in what He has called us to do.
4. Pray that RVA would continue to be a needed and vital support for those who are bringing the gospel to the unreached.
5. Our support level is lower than it needs to be. Please pray that God will meet this need.
